To receive your Traffic Control Supervisor certification card, the required documents listed below must be submitted before a certification card can be issued:

1. A current state approved flagging card. Approved states are: Idaho, Montana, Oregon and Washington.
2. **Two signed letters*** (or one letter with two signatures) verifying 2,000 hours of work in traffic control related tasks. These can be achieved over multiple years. Letters can be submitted from any of the following who can verify the knowledge and experience of the TCS candidate:
 - Employers (past and/or present),
 - Subcontractors,
 - DOT Inspectors, or
 - Other Traffic Control Supervisors

**Note: Any of the letters provided may be submitted to the State upon request.*

Experience may include work in the following areas:

- Experience as a construction inspector, including inspection of traffic control.
- Traffic control work on a survey crew.
- Designing or reviewing traffic control plans.
- Other specific traffic control experience (set-up and take-down).
- Some flagging experience.

These letters should include:

- Brief history of individuals working experience,
- Project(s) they have worked on, and
- Approximate number of cumulative hours work as a Flagger/Work Zone Worker.

Letter Format:

- Must be typed and on letterhead. (If letterhead is not available a company business card will be acceptable).
- Must provide contact information for the authors

3. Individuals must also complete the training and pass the exam with a score of 80% or better.
4. Payment must be received.

Submit required paperwork to:
